

NEW CONGRESS DATES - FAQ

Is the Congress cancelled?

No. Due to the latest developments regarding the COVID-19 outbreak, we have taken the decision to postpone ESH-ISH Joint Meeting.

The Congress will go ahead with the same programme at the same venue on new dates: **April 11-14, 2021**.

Is my registration still valid?

Yes. Your Congress registration is automatically transferred to the new dates. (No actions are needed from your side.)

What happens if I cannot travel to the event on the new dates?

Switch with a colleague! If you cannot attend, you can transfer your participation to one of your colleagues who would like to join ESH-ISH 2021. This option is only valid if your colleague comes from the same institution and can access the same fee category (e.g. ESH/ISH/BIHS member, Non Member, Trainees, Nurses, etc.)

Please note that the name related to a registration may be changed without fee until January 25, 2021.

If I wish to cancel my registration, will I receive a refund?

In case your participation at the new meeting dates might not be possible, and you cannot swap with any colleague, your registration fee will be reimbursed. In this case, please send a short message to hypertension2021.reg@aimgroup.eu. You will then receive further information on the refunding process. All refunds will be processed from September 2020.
